

Enjoy summer. . . but don't allow your brain to dry out completely!

The school year is a *waterfall* of new skills.

A few quick showers in the summer
will keep your learning fresh!

**Always feel like you're
in the low group?**
*Use this time to get
a better grip!*

**Class you were
shaky in this
year?**
*Review so you
can start strong
in the fall!*

**Summer reading
assignments?**
*Get a little support
and get them
done early!*

**PSAT, SAT or
ACT coming up?**
*Prep now to raise
your score!*

**Nervous about an
upcoming class?**
*Preview it to get
comfortable.*

Summer tutoring *customized* to your vacation schedule and specific needs
